### What's so Fun?

#### • Mindfulness Focus

Summer is for fun AND learning! We will engage campers in mini-lessons about respect and kindness, while reinforcing these topics by reading books like the Bucket Book and We're all Wonders.

#### • SwimAmerica Garden

Campers help Miss Moana plant, harvest, and enjoy snacks straight from our garden.

#### • SWIMMING!

Pool time every day! Safety is our priority, so we evaluate each camper, and may limit pool access based on ability. Pool time is free play, but counselors may get in the pool from time-to-time to lead games and themed activities. Life-guards on deck at all times.

- Re-designed to meet **ALL** current CDC and Yolo county guidelines.

# SUMMER CAMP
